**Geo. L. Baker--(Haynes-Miller)--Dec.** A Dahlia with an ideal habit of growth, bush is of medium height, with thick leathery foliage. The immense big blooms, 8 to 9 inches across with slightly rolled petals, are held high above the foliage on extra stout firm stems. Color a glowing claret red. Flowers last a long time on the bush. Named by the originator for our honorable Geo. L. Baker, Mayor of City of Portland..... 2.00

**Indian Dawn--Semi. H. C.** Big showy blooms, 8 inches and more across, color a bright glistening golden yellow, illuminated by a bright glowing scarlet. Early and free bloomer, good stems, truly a showy and beautiful blending of bright colors. An exceptionally fine Dahlia that is sure to become a great favorite .50

**Note:**--On account of having a large stock of Indian Dawn, and Flanders Field, and to secure a wide distribution of these fine Dahlias, I am offering them at a much lower price, than I had originally thought of asking for them.
